

**RESOLUTION OF THE
BOARD OF DIRECTORS OF PUERTO RICO LEGAL SERVICES, INC.
In Support of Enhanced Private Attorney Involvement
With LSC-Funded Programs**

Whereas, the Legal Services Corporation and the programs it funds, including Puerto Rico Legal Services, Inc., have long recognized that the overarching values of private attorney involvement to LSC-funded programs are increased access, increased human and capital resources and increased pro bono commitment; and

Whereas, at its April 2007 meeting, the Board of Directors of the Legal Services Corporation adopted Resolution 2007-003 supporting and encouraging private attorney involvement and urging governing boards of LSC-funded programs to collaborate with other organizations to effectively engage lawyers in pro bono representation and other services that benefit low-income persons; and

Whereas, the LSC Board of Directors resolution builds upon the following national LSC initiatives:

- The October 2005 LSC report, *Documenting the Justice Gap in America: The Current Unmet Civil Legal Needs of Low-Income Americans*, which found that 50 percent of the potential clients requesting assistance from an LSC grantee were turned away for lack of resources on the part of the program;
- The LSC *Strategic Directions 2006-2010*, which calls upon LSC to increase public awareness of and support for legal services to low-income persons in order to respond appropriately to more of their legal needs;
- The LSC *Performance Criteria*, which consider, in evaluating a program's legal representation and other activities intended to benefit the low-income population in its service area, whether that program effectively integrates private attorneys into its work in order to supplement the amount and effectiveness of its representation and other services;
- The Provision for the Delivery of Legal Services Committee of the LSC Board of Directors 2006 meetings which highlighted the potential, opportunities and challenges of private attorney involvement and determined ways in which this critical resource can be used more effectively by LSC-funded programs as a means to help close the justice gap;
- The unanimous adoption in January 2007 by LSC board of Directors of a strategic work plan entitled *Action Plan for Private Attorney Involvement: Help Close the Justice Gap. Unleash the Power of Pro Bono*, which highlights the benefits of engaging private attorneys to help represent clients of LSC-funded programs and describes ways in which the LSC Board and staff will work to expand private attorney involvement;
- The American Bar Association's Model Rule 6.1 and similar state bar rules note the professional responsibility of every lawyer to provide *pro bono* legal assistance to persons of limited means.

Whereas, in Puerto Rico:

Rule 1 of the Code of Ethics for the Legal Profession requires private attorneys to provide pro bono legal assistance to guarantee low income population effective and adequate legal representation;

The Census for year 2000 found 48% of the Puerto Rico's population to be under the poverty level;

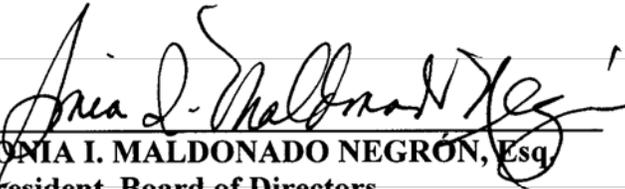

Puerto Rico Legal Services is strongly committed to promote access to justice for the low income population and to broaden the scope of services provided.

Now, Therefore, Be It Resolved that the Board of Directors of Puerto Rico Legal Services, Inc., in an effort to help close the justice gap supports and encourages private attorney involvement with Puerto Rico Legal services, Inc. and will continue and expand its efforts to:

1. Develop strategies that encourage pro bono, including creative recruitment methods and delivery models, attorney practice and continuing legal education rules and training, mentoring, support and recognition of volunteers;
2. Collaborate with other organizations to develop effective delivery systems and to guarantee adequate, timely and suitable representation;
3. Collaborate with other organizations to develop strategies to recruit lawyers willing and able to do pro bono representation and other services, to meet the need for civil legal representation.

Be it Further Resolved that the Board of Directors of Puerto Rico Legal Services, Inc. will continue and expand its efforts to promote, support and encourage private attorney involvement initiatives by publicizing and recognizing private attorney involvement in the work of Legal Services for Puerto Rico and by collaborating with national, state and local organizations to create opportunities for such publicity and recognition.
