BOARD OF DIRECTORS OF SOUTHERN ARIZONA LEGAL AID INC.**

**In Support of Enhanced Private Attorney Involvement  
with LSC-Funded Programs**

**Whereas**, the LSC Board of Directors resolution builds upon the following national LSC initiatives:

- The October 2004 LSC report, *Documenting the Justice Gap in America: the Current Unmet Civil Legal Needs of Low-Income Americans*, which found that 50 percent of the potential clients requesting assistance from an LSC grantee were turned away for lack of resources on the part of the program;
- The *LSC Strategic Directions 2006-2010*, which calls upon LSC to increase public awareness of and support for legal services to low-income persons in order to respond appropriately to more of their legal needs;
- The *LSC Performance Criteria*, which consider, in evaluating a program's legal representation and other activities intended to benefit the low-income population in its service area, whether that program effectively integrates private attorneys into its work in order to supplement the amount and effectiveness of its representation and other services;
- The Provision for the Deliver of Legal Services Committee of the LSC Board of Directors 2006 meetings, which highlighted the potential, opportunities and challenges of private attorney involvement and determined ways in which this critical resource can be used more effectively by LSC-funded programs as a means to help close the justice gap;

- The unanimous adoption in January 2007 by LSC Board of Directors of a strategic work plan entitled *Action Plan for Private Attorney Involvement: Help Close the Justice Gap, Unleash the Power of the Pro Bono*, which highlights the benefits of engaging private attorneys to help represent clients of LSC-funded programs and describes ways in which the LSC Board and staff will work to expand private attorney involvement;
- The American Bar Association’s Model Rule 6.1 and similar state bar rules note the professional responsibility of every lawyer to provide *pro bono* legal assistance to persons of limited means;

**Whereas**, in the State of Arizona:

The Arizona Foundation for Legal Services & Education, is working to bridge the gap in access to legal services by launching Access to Justice Initiatives. In addition, Arizona Supreme Court Ethical Rule 6.1 provides for an aspirational goal of fifty hours per year of pro bono services for attorneys.

**Now, Therefore, Be It Resolved** that the Board of Directors of SALA, in an effort to help close the justice gap in Arizona, supports and encourages private attorney involvement with the Southern Arizona Legal Aid’s Volunteer Lawyer Program and will endeavor to:
